Note for Record: Mr. Blair called on DCI by arrangement thru S/D's office. His letter follows: "This is just a note to thank you very much indeed for my visit yesterday. It was most helpful. I won't bother you often but I hope you won't mind if I check in as occasion seems to warrant it. On one of your trips to New York, wouldn't you like to come downtown to lunch with us here at the Bank? It would give you a good chance to see something of us and what a machine like ours can produce."
